# PEOPLE AGREE SPURRIER'S A WINNER AND AN INNOVATOR

More than anyone Sputiles has been responsible for mending UF's broken home and for making Galors groud to be Galors again. Yeals it's kind of corny the way Spurries gets misty-eyed when he sings. We are the Boys or the way he makes his players stay out on Florida Field after home games and sing the aimanaties but there is no doubt he is genuine about making the Gator family whole again.

Mike Blanchs Colorand - Samesyvile Sun coach. He is a britiant offensive coach.

Notes Daries & Low Holtz

Coach Spurier is a true player's coach. He's been on the held at floridg. He allows the players to make many of our own decisions but he expects a tremendous amount of effort support and productivity when it comes to playing time. It was a privilege to play for him.

01 Brad Colpepper 1991 All-America

I really admire Coach Spurrier's ability to motivate the team the way he does. He is also the type of coach that you can easily talk

He does that now as a coach with the rare ability to institution of the sidelines in a close ballgame his decisions and adjustments with win for you."

Ray Graves Head Coach, 1960-69 University of Florida

His philosophy is kind of an all out assault like a fullcourt press in basketball lit's relentless pressure. And he strives for perfection Of course, you never achieve it, but it's one of his poars.

Four Wheatley in 1991 Lindy's College Football Preview

He is the youngest, brightest most innovative coach in all of borlege coaching, the mastermind of the "Full"N Gun offense."

> Mike Bianchi Columnist – Gamesville Sun

Steve Spurner is a bright innovalive coach who has the ability to inspire his players and communicale his concepts to them in terms they understand. He is one or the finest coaches in the country at any level of competition and his learns generate excitement."

There is more than Spurrier's professional expertise at work in Garneswille. Next to Spurrier Norman vincent Peale looks like an Invelorate pessimist.

Tom Wheatley in 1991 Linday's College Footbal Pressure

Playing for a guy tike Steve Spurier he knew so much about the defenses we played against and how to attack them It was almost like a philosophy you kind of pick up on it you can have that heading into a pro-career it really helps you. You develop quicker and may have a better chance to play when you re younger

"You get a chance to understand delenses delensive fronts, the secondary rotations. If you can do that on the cottage level, it becomes second nature.

> Sales Dis see 1986 ACC Player of the Year

In 1990 we had the same athletes we ve always had. The difference was Coach Spurrier I can t stress enough how much the whole team came to admire him and was thankful for him. He turned things around for a lot of us.

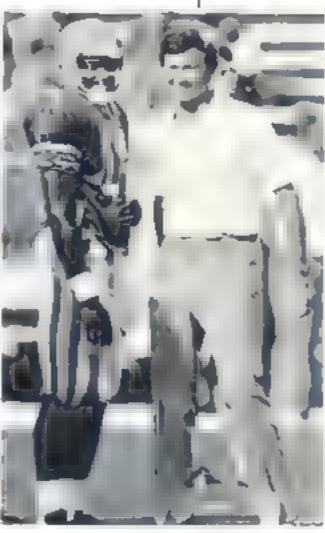

TE Kirk Kirksatneh 1950 AM-SEC

"There is no question that it was Coach Spurrier that turned this team and this program around the turned the attitude around There is no one like turn. We had this bond with him that you have to have to win championships."

1996 AH-SEC

"I have tremendous respect for Coach Spurrier's knowledge of the game and the application of his offense during a game. He's an uplield coach. By that, I mean be plays to attack. Whether he's ahead or behind he s always tooking to exploit what the detense is permittina. Plavina in Coach Spurner's offense prepared me for the pro passing game. He uses the same type of route tree the same numbering system and a lot of the same lerminology as the typical pro passing attack "

## THE PLAYERS AGREE

## GATOR COACHES ARE ALL-AROUND WINNERS

In my opinion, the University of Florida has put together one of the nation's truly great coaching stalls it starts with Coach Spurrier who is the perfect players coach, and it goes down through each and every position where the players get instruction from a coach that really knows the game of lootball. The entire staff works hard to build a family atmosphere and they care about us on and off the held.

WR HARRISON HOUSTON

The Florida coaching staff has many outstanding qualities, but i really admired what good teachers they are. Each of them is fundamentally sound and each of them took as much time as needed to get something straightened out whether it was a personal problem of something on the field. It really meant a great dear to have that many people care about you and take whatever time was never, or and off the field.

CENTER CAL DIXON

The coaching staff at Florida is simply outstanding. They create a fol of excrement and enthusiasm I really like the fact that the coaching staff freats us more like brothers than players. We are able to sit down and talk about many things and loke around with them and to just door! Think that is true with many other coaching staffs."

RESERVET RHETT

The coaches are all very under standing and are always there for me whenever I need to talk about something. They want to help and all they ask of you is that you compete and work as hard as you can on and off the field. They are really interested in wanting what is best for Larry Kennedy and each player.

DE LARRY KENNEDY

Overall. Florida has put together a tremendous coaching staff. They are all very knowledgeable about the game. Hot only are they great teachers to what they do they re all great people as well."

990 and 1491 SEC Player of the Year

This coaching staff is really geared lowerd teaching basic fun-

damentals, both on and off the field. They take a hands-on approach to coaching on the field. They are very active coaches in terms of leaching. At the same time, they consistently stress ideas that are not only beneficial on the field but also in life away from football and after lootball."

OG DESTER SMITH 39: Ottensive Co-Captain

"I believe we have one of the top coaching stalls in college tootball. All of our coaches are good people, which is my list priority when assembling a staff. Secondly, I think they are excellent leachers of fundamental football techniques. Third, they are persistent recruiters that have the player's interest at heart before their own."

For years the University of Flor da football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing majo college football.

As these two pages show, the walk-ons have contributed greatly to the success of the Sator football program. Twenty-six members of the 1991 Southeastern Conference championship team were walk-ons. The walk-ons are treated in the same linst-class manner with total respect as the rest of the sound

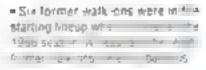

Many former walk-ons have eventually earned scholarships earned slarting positions, gained Al-SEC and Al-America honors and even eventually played ployothall None of those players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. One-half of florida's starters in 1991 earned All-America honors. It is awesome, simply out of this world. As a team and individual, having florida footback as a fact of your life means you will receive incredible recognition for what you and the feam accomplish. The unmatched media attention Gator players receive plays a hinge role in this recognition process."

"I'll always have so many tono memories of my tears at Florida. Playing at Florida Field, however, will always remain something very special for me and all Gator platers. Players from other tears always commented that plating here was the toughest place to visit, and that's recause of the Gator fans. They are always there no matter what. At other stadiums the intensity of the fans was one and one loud one moment and then at other times foll dron't really hear them. That's never the case at Florida Field. The fans are always supportive. They really are special and i'll never forget the feeling of running out of the timmel at Florida Field, it gives me goose-binners just thinking about it, i really had the time of my life out there."
